Read the following statements carefully and You have to decide whether the data provided in the statements are sufficient to answer the question.

Statements:

- I. Rahul at present is 25 years younger to his mother.
- II. Rahul's brother, who was born in 1964, is 35 years younger to his mother.

1. In which year was Rahul born ? *

1 point

- II alone is sufficient while I alone is not sufficient
- Either I or II is sufficient
- Neither I nor II is sufficient
- Both I and II are sufficient

Read the following statements carefully and You have to decide whether the data provided in the statements are sufficient to answer the question.

Statements:

- I. One-fourth of the weight of each pole is 5 kg.
- II. The total weight of three poles is 20 kilograms more than the total weight of two poles.

2. What will be the total weight of 10 poles, each of the same weight ? *

1 point

- I alone is sufficient while II alone is not sufficient
- II alone is sufficient while I alone is not sufficient
- Either I or II is sufficient
- Neither I nor II is sufficient

Read the following statements carefully and You have to decide whether the data provided in the statements are sufficient to answer the question.

Statements:

- I. There are 26 students in the class.
- II. There are 9 students who have scored less than Reena.

3. What is Reena's rank in the class? *

1 point

- Statement I is only sufficient
- Statement II is only sufficient
- Neither I nor II is sufficient
- Both I and II are sufficient

Read the following statements carefully and You have to decide whether the data provided in the statements are sufficient to answer the question.

Statements:

- I. H is the only daughter of X who is wife of M.
- II. K and J are brothers of M.

4. Who is the father of M? *

1 point

- I alone is sufficient while II alone is not sufficient
- II alone is sufficient while I alone is not sufficient
- Either I or II is sufficient
- Neither I nor II is sufficient

Read the following statements carefully and You have to decide whether the data provided in the statements are sufficient to answer the question.

Statements:

- I. The last day of the month is a Wednesday.
- II. The third Saturday of the month was seventeenth.

5. What day is the fourteenth of a given month ? *

1 point

- I alone is sufficient while II alone is not sufficient
- II alone is sufficient while I alone is not sufficient
- Either I or II is sufficient
- Neither I nor II is sufficient

Read the following statements and assumptions carefully.

Statement: "You are hereby appointed as a programmer with a probation period of one year and your performance will be reviewed at the end of the period for confirmation." - A line in an appointment letter.

Assumptions:

6. Which of the assumptions is implicit in the statement. *

1 point

- Assumption I is only sufficient
- Assumption II is only sufficient
- Neither I nor II is sufficient
- Both I and II are sufficient

Read the following statements carefully and You have to decide whether the data provided in the statements are sufficient to answer the question.

Statements:

- I. Buses for Ramnagar leave after every 30 minutes, till 10 p.m.
- II. Fifteen minutes ago, one bus has left for Ramnagar.

7. It is 8.00 p.m., when can Hemant get next bus for Ramnagar from Dhanpur? *

1 point

- Both I and II are needed
- Either I or II is needed
- Neither I nor II is needed
- Statement I is only sufficient

Read the following statements carefully and You have to decide whether the data provided in the statements are sufficient to answer the question.

Statements:

- I. The company sold 8000 units of product A each costing Rs. 25.
- II. This company has no other product line.

8. How much was the total sale of the company ? *

1 point

- Either I or II is needed
- Both I and II are needed
- Neither I nor II is needed
- Statement II is only sufficient

Read the following statements carefully and You have to decide whether the data provided in the statements are sufficient to answer the question.

Statements:

- I. The first Sunday of that month fell on 5th.
- II. The last day of that month was Friday.

9. The last Sunday of March, 2006 fell on which date ? *

1 point

- I alone is sufficient while II alone is not sufficient
- II alone is sufficient while I alone is not sufficient
- Either I or II is sufficient
- Neither I nor II is sufficient

Read the following statements carefully and assumptions carefully.

Statement: It is desirable to put the child in school at the age of 5 or so.

Assumptions:

- I. At that age the child reaches appropriate level of development and is ready to learn.
- II. The schools do not admit children after six years of age.

10. Which of the assumptions is implicit in the statement. *

1 point

- Both I and II are needed
- Either I or II is needed
- Neither I nor II is needed
- Assumption I is only sufficient

Untitled Read the following statements carefully and You have to decide whether the data provided in the statements are sufficient to answer the question.

Statements:

In the code language, 'sky is clear' is written as 'de ra fa'.

In the same code language, 'make it clear' is written as 'de ga jo'.

11. What is the code for 'sky' in the code language ? *

1 point

- Both I and II are needed
- Either I or II is needed
- Neither I nor II is needed
- Statement I is only sufficient

12. Which of the following assumption is implicit in the statement. *

1 point

- Both I and II are needed
- Either I or II is needed
- Neither I nor II is needed
- Assumption II is only sufficient

Untitled Read the following statements carefully and You have to decide whether the data provided in the statements are sufficient to answer the question.

Statements:

- I. M is brother of P and T is sister of P.
- II. P's mother is married to J's husband who has one son and two daughters.

13. How is J related to P ? *

1 point

- I alone is sufficient while II alone is not sufficient
- II alone is sufficient while I alone is not sufficient
- Either I or II is sufficient
- Neither I nor II is sufficient

Untitled Read the following statements carefully and You have to decide whether the data provided in the statements are sufficient to answer the question.

Statements:

- I. Anjali was born on an even date of the month.
- II. Anjali's birth date was a prime number.

14. On which date of the month was Anjali born in February 2004 ? *

1 point

- Statement I is only sufficient
- Statement II is only sufficient
- Neither I nor II is sufficient
- Both I and II are sufficient

Untitled Read the following statements carefully and You have to decide whether the data provided in the statements are sufficient to answer the question.

Statements:

- I. Vishakha who is fifth from the left end is eighth to the left of Ashish who is twelfth from the right end.
- II. Rohit is fifth to the left of Nisha who is seventh from the right end and eighteenth from the left end.

15. How many children are there in the row of children facing North ? *

1 point

- I alone is sufficient while II alone is not sufficient
- II alone is sufficient while I alone is not sufficient
- Either I or II is sufficient
- Neither I nor II is sufficient

Untitled Read the following statements carefully and You have to decide whether the data provided in the statements are sufficient to answer the question.

Statements:

- I. There are ten students between Nitin and Deepak.
- II. Deepak is twentieth from the top.

16. What is Nitin's rank from the top in a class of forty students ? *

1 point

- I alone is sufficient while II alone is not sufficient
- II alone is sufficient while I alone is not sufficient
- Either I or II is sufficient
- Neither I nor II is sufficient

Read the following statements carefully and You have to decide whether the data provided in the statements are sufficient to answer the question.

Statements:

- I. Last year 2935 cards were sold.
- II. The number of cards sold this year was 1.2 times that of last year.

17. How many New Year's greeting cards were sold this year in your shop ? *

1 point

- Both I and II are needed
- Either I or II is needed
- Neither I nor II is needed
- Statement II is only sufficient

Read the following statements and assumptions

Statement: "If you trouble me, I will slap you." - A mother warns her child.

Assumptions:

- I. With the warning, the child may stop troubling her.
- II. All children are basically naughty.

18. Which of the following assumption is implicit in the statement. *

1 point

- Both I and II are needed
- Either I or II is needed
- Neither I nor II is needed
- Assumption I is only sufficient

Untitled Read the following statements carefully and You have to decide whether the data provided in the statements are sufficient to answer the question.

Statements:

- I. A and D are heavier than B, E and F but none of them is the heaviest.
- II. A is heavier than D but lighter than C.

19. Among A, B, C, D, E and F, who is the heaviest ? *

1 point

- I alone is sufficient while II alone is not sufficient
- II alone is sufficient while I alone is not sufficient
- Either I or II is sufficient
- Neither I nor II is sufficient

Untitled Read the following statements carefully and You have to decide whether the data provided in the statements are sufficient to answer the question.

Statements:

- I. The code for 'give me water' is '719'.
- II. The code for 'you can bring water for me' is written as '574186'.

20. What is the numerical code for 'water' in a certain code ? *

1 point

- Both I and II are needed
- Either I or II is needed
- Neither I nor II is needed
- Statement II is only sufficient
