What is cloze Test

A cloze test is an exercise, test, or assessment consisting of a portion of language with certain items, words, or signs removed, where the participant is asked to replace the missing language item.

Read the passages given below and find out the appropriate words to fill the blanks

Passage 1

Can we see (1) the earth is a globe? Yes, we can, when we watch a ship that sails out to sea. If we watch closely, we see that the ship begins (2) The bottom of the ship disappears first, and then the ship seems to sink lower and lower, (3) we can only see the top of the ship, and then we see nothing at all. What is hiding the ship from us? It is the earth. Stick a pin most of the way into an orange, and (4) turn the orange away from you. You will see the pin disappear, (5) a ship does on the earth.

- to generate
- being generated
- generate
- generating

✓ 5. *

1/1

- decisively
- exclusively
- especially
- favourably

Passage 5

Starting a (1) data entry business is easier than trying to work from job to job. Having a business means that people will come to your business whenever they need a service you (2) This also means that instead of having to always (3) for jobs on freelancing websites, you will be able to have clients come to you as needed. One important thing to (4) when starting a data entry business is that customer service is really important. It's hard to get anywhere in the data entry field if you don't provide your customers with all the services they need. It's important that you take your time to really care for your customers completely. Once you are ready to start your data entry business it's time to start building a great team. You want to have a team that can do a (5) range of tasks so that your business can fill customer's needs. You want to always test your team before giving them the task of working with a client.
